Monstrous Regiment

By Sir Terence David John Pratchett

HarperCollins, United States, 2004. Paperback. Book Condition: New. Reissue. 170 x 107 mm. Language: English . Brand New Book. War has come to Discworld . again. And, to no one's great surprise, the conflict centers around the small, arrogantly fundamentalist duchy of Borogravia, which has long prided itself on its unrelenting aggressiveness. A year ago, Polly Perks's brother marched off to battle, and Polly's willing to resort to drastic measures to find him. So she cuts off her hair, dons masculine garb, and -- aided by a well-placed pair of socks -- sets out to join this man's army. Since a nation in such dire need of cannon fodder can't afford to be too picky, Polly is eagerly welcomed into the fighting fold--along with a vampire, a troll, an Igor, a religious fanatic, and two uncommonly close friends. It would appear that Polly Ozzer Perks isn't the only grunt with a secret. But duty calls, the battlefield beckons. And now is the time for all good . er . men to come to the aid of their country.

Reviews

It is one of my personal favorite publications. Indeed, it actually performs, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, change the way I believe.

-- **Neal Homenick IV**

I just started off reading this article publication. This really is for all who state there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).
