WHITE DWARFS

DOWNLOAD

Springer. Paperback. Book Condition: New. Paperback. 429 pages. Dimensions: 8.9in. x 7.0in. x 1.0in. The NATO Advanced Research Workshop on White Dwarfs, held in June 2002 at the Astronomical Observatory of Capodimonte in Naples, Italy, continues the long tradition of the European Workshop series on White Dwarfs, which started in Kiel in 1974 by Prof. Volker Weidemann. Since then, similar workshops were organized almost every two years: Frascati (1976), Tel Aviv (1978), Paris (1981), Kiel (1984), Frascati (1986), Toulouse (1990), Leicester (1992), Kiel (1994), Blanes (1996), Tromsø (1998) and Newark-Delaware (2000). The proceedings of these meetings, together with those from the IAU Colloquia in Rochester (NY, 1979) and Hanover (New Hampshire, 1988), represent a unique record of how the research field of white dwarfs has developed in more a quarter of a century. We hope that the present volume, which contains a large number of contributions on different topics, will provide an updated and broadened view of this very active field of research. The format of this workshop, which is the 13 of the series, keeps that of previous meetings: giving the same amount of time to all speakers, no parallel sessions and no limitations on the number of posters. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
