GUNS DON T KILL PEOPLE, PEOPLE KILL PEOPLE: AND OTHER MYTHS ABOUT GUN CONTROL

Beacon Press, United States, 2016. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. Debunking the lethal logic behind the pervasive myths that have framed the gun control debate "When guns are outlawed, only outlaws will have guns." "The only thing that stops a bad guy with a gun is a good guy with a gun." Weve all heard these slogans time and again. The result of a targeted marketing effort by the NRA and other pro-gun organizations, these catchphrases have come to define the contemporary gun control debate. Dennis Henigan explodes the misguided thinking at the heart of these pro-gun slogans and dissects their deadly impact on US gun policy in this completely revised and updated edition of his much-praised 2009 hardcover (Lethal Logic, which has never been published in paperback).The gun lobbys remarkable success in infiltrating the gun control lexicon with these catchy slogans has allowed them to block lifesaving gun legislation for decades and gained them unprecedented influence in American politics. In this well-researched but accessible book, Henigan takes the NRAs myths to task and exposes the fallacious thinking behind the gun lobbys bumper-sticker logic.
