Informus Inc Publishing Division, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Massive Retaliation: New Novel Pits USA against China for World Domination; as Caribbean Island Becomes Playground for Fusion of Fact Fiction. Masterfully crafted by Ian D. MacDonald, Massive Retaliation takes the age-old battle for domination between the United State and China to a chilling new level. Fusing razor-sharp fiction with a premise that is grounded firmly in reality, the novel depicts China s direct violation of 1823 s Monroe Doctrine as they attempt to set up a military base on the Caribbean island of St. Matts. A U.S. Government employee with family on the island is sent to investigate, as readers become acutely aware of the continuing threat of nuclear warfare. While the United States claims to be the most powerful nation on Earth, China openly brands itself with the same prestige. This battle for world domination is by no means new, but a powerful and thought-provoking novel by Ian D. MacDonald makes it all the more vivid as the confrontation becomes militarized. Massive Retaliation capitalizes on the author s deep and passionate knowledge for the Caribbean. The narrative depicts China s attempts to lease a former British military base on the island of St. Matts, putting itself in direct violation of the real-world 1823 Monroe Doctrine. Nagasaki could quickly become the United States second-to-last nuclear bomb drop. Synopsis: Dr. Rob Lyons, a State Department analyst, in the year 2020 is quietly sent to the Caribbean island of Saint Matts. He has been tasked with investigating why, at this time, the People s Republic of China are daring to lease a long abandoned British naval base from the government of that island. No foreign government has dared...
