MO: THE TALKING DOG

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. Sam Peel (illustrator). 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A puppy born without the ability to bark; A veterinarian who believes that dogs could talk, given the right surgery; A scientist who specialises in growing tissue. Add these together and the result is a dog with a unique ability and an attitude problem. That means a confused family, offended neighbours, and some very scared cats! ===== This is a book for children aged around 8-12 years of age. It is a happy story, with some mild danger. It addresses bullying and settling in at a new school. ===== Reviews: This is one of those books that you just don't want to put down. From the first page it was great. My kids enjoyed listening to this and it prompted a very nice lengthy discussion after we were finished with it. I would highly recommend this book to parents. Although this is a longer book, I found it a nice way to spend an afternoon with my kids. This is a perfect family book. Who wouldn't want to have a speaking dog and learn to know what his/her furry friend really thinks? The book also gives a lot of opportunities for (grand)parents that read this book with their (grand)children to start conversations about so important topics like bullying in an easy way. Highly recommended! =====.
