LIONHEART

DOWNLOAD

Ballantine. 1 Paperback(s), 2015. soft. Book Condition: New. This fourth book in Sharon Kay Penman's Plantagenet series (following Devil's Brood) opens in 1189. After the death of his father Henry II and the early demise of two of his brothers, Richard is crowned King of England and immediately sets off for the Holy Land. This is the Third Crusade, marked by internecine warfare among the Christians and extraordinary campaigns against the Saracens. Left behind in England, Richard's surviving brother John conspires with the French king to steal his brother's throne. Only their mother, Eleanor of Aquitaine, now freed from decades of captivity, remains to protect Richard's interests and secure his destiny."Penman displays her usual grasp of sweeping historical events as well as an uncanny ability to get inside the hearts and minds of her real-life characters. Her reputation for character-driven, solidly detailed historicals is richly deserved."Booklist"The great Crusader king Richard the Lionheart comes alive in all his complex splendor in this masterpiece of a medieval tapestry by Sharon Kay Penman. She brings him and his legendary enemy, Saladin, before us, both on the battlefield for Jerusalem and in the quiet of their private chambers. It's as if you were there, in this strange, beguiling, vanished time that haunts the Middle East even today. Penman has triumphed in capturing its elusive essence and the blazing glory of the English king called Lionheart."Margaret George 694.
