

## The Circuit: Stories from the Life of a Migrant Child (Hardback)

By Francisco Jimenez

HOUGHTON MIFFLIN, United States, 1999. Hardback. Book Condition: New. None.. 178 x 135 mm. Language: English . Brand New Book. *La frontera .I heard it for the first time back in the late 1940s when Papa and Mama told me and Roberto, my older brother, that someday we would take a long trip north, cross la frontera, enter California, and leave our poverty behind.* So begins this honest and powerful account of a family's journey to the fields of California -- to a life of constant moving, from strawberry fields to cotton fields, from tent cities to one-room shacks, from picking grapes to topping carrots and thinning lettuce. Seen through the eyes of a boy who longs for an education and the right to call one place home, this is a story of survival, faith, and hope. It is a journey that will open readers hearts and minds.

### Reviews

*Totally one of the better publication I have actually read through. It really is rally fascinating throug studying time period. Its been printed in an extremely simple way and is particularly just following i finished reading through this ebook in which basically modified me, modify the way i think.*

-- **Mrs. Maudie Weimann**

*Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
