By Brian Laakso

Alfred Publishing Co., Inc., United States, 2015. Paperback. Book Condition: New. 300 x 231 mm. Language: English . Brand New Book. A Modern Music Production Course That Makes Basic Music Technology Fun! A perfect approach for students with a passion for music outside of traditional programs, Alfred s Music Tech 101 covers the basics of music technology without heavy technical reading, using plain-English explanations. No musical experience is required, and classroom-tested course material has been developed through years of student feedback. Includes correlating interactive media to stream or download, plus a corresponding website with teacher resources and updates. Part 1 of this book can be used to teach a beginning survey course on music technology, and each unit contains background reading, student worksheets, answer keys, and a project or two. Part 2 can be used to teach a beginning songwriting and multimedia course on music technology, and consists of more hands-on, interactive projects. Part 3 is designed for more experienced students who are capable of a high level of independent study. Students create their own learning goals, and map out a plan to achieve them. \* No musical experience required \* High-school/college-level studies on producing music using modern techniques \*...
